

Annual Report Letter
Cameron Street Public School
2017-2018 School Year

Dear Parents and School Community,

Welcome back! We hope you had a safe and happy summer. The Cameron Street School Council had a very rewarding 2017 – 2018 school year. The school council held seven meetings throughout the year and worked on various projects during this time. These meetings were open to all parents/guardians, staff and members of the school community. We encourage involvement and participation from the community as a whole.

The Council discusses various matters that relate to our school. These included school staffing updates, changes to curriculum, community involvement initiatives, parking lot congestion, healthy eating initiatives, new school programs, after school programs, and of course our upcoming expansion and renovations.

The School Council's purpose is to enhance the everyday life of our students and help them achieve their full potential. This was done by being a voice for the school community and advocating as needed.

The School Council identified the current school needs and provided support for school events, transportation for student learning opportunities, special programs and presentations that the school could otherwise not afford. The School Council is directly involved in the decisions relating to the distribution of Council raised funds.

The minutes of all meetings held and the financial records are available online and at the Cameron Street School main office.

We wish to acknowledge the hard work and efforts made by the many volunteers at Cameron Street Public School. In particular we would like to take an opportunity to thank the parent council volunteers, Louisa Guzzwell, Jenn Walters, and Krista Purdy all who work tirelessly to make Cameron Street a great place. We said good bye to Michelle Liota who has been our creative force and Julie Hollah our BBQ guru. You will

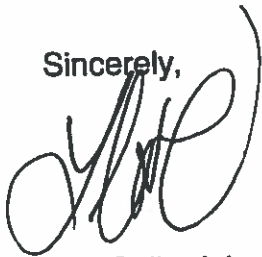

both be missed. Their efforts have helped to make Cameron Street School 'the place to be'.

We have fostered a positive school community through our events, such as the Halloween Howler, Family skating, Dance-a-thon, Mental Health Wellness night, and our Spring Carnival.
